Name and address of consignee (2)		
Scientific name of species		
Purpose (3)		
Description of species (4)		
Quantity of species		
Source (5)		

(1) Complete name and address of permittee

(2) Complete name and address of the consignee

(3) The following codes should be used: T for commercial, Z for zoos, G for botanical gardens, Q for circuses and travelling exhibitions, S for scientific purposes, H for hunting trophies, P for personal, M for medical, E for education, N for reintroduction or introduction into the wild, and B for breeding in captivity or artificial propagation, L for law enforcement/judicial/forensic.

(4) Describe, as precisely as possible, the species entering trade (live animals, skins, flasks, wallets, shoes, etc.). If a species is marked (tags, identifying marks, rings, etc.), whether or not this is required by a Resolution of the Conference of the Parties (species originating in a ranching operation, species subject to quotas approved by the Conference of the Parties, species of the First Schedule, species bred in captivity for commercial purposes, etc.), indicate the number and type of mark. The sex and age of the live animals should be recorded, if possible.

(5) Use the following codes to indicate the source —

**W-** Species taken from the wild;

**R-** Species originating from a ranching operation;

**D** - First Schedule - animals bred in captivity for commercial purposes and plants of First Schedule artificially propagated for commercial purposes, as well as parts and derivatives thereof, exported under the provisions of Article VII, paragraph 4, of the Convention;

**A** - Plants that are artificially propagated in accordance with Resolution Conf. 11.11 (Rev. CoP14), paragraph a), as well as parts and derivatives thereof, exported under the provisions of Article VII, paragraph 5 (specimens of species included in the First Schedule that have been propagated artificially for non-commercial purposes and species included in the Second and Third Schedules);

**C** - Animals bred in captivity in accordance with Resolution Conf. 10.16 (Rev.), as well as parts and derivatives thereof, exported under the provisions of Article VII, paragraph 5 (specimens of species included in the First Schedule that have been bred in captivity for non-commercial purposes and specimens of species included in the Second and Third Schedules);

**F** - Animals born in captivity (F1 or subsequent generations) that do not fulfil the definition of 'bred in captivity' in Resolution Conf. 10.16 (Rev.), as well as parts and derivatives thereof;

**U** - Source unknown (must be justified);

**I** - Confiscated or seized species;

**O** - Pre-Convention (may be used with other source codes).

In case of re-export, the original of the export or re-export permit that accompanied the consignment should be submitted as annex to the above information.

In case of import permit, a copy of the CITES export certificate should also be produced.
